Friends,

I'll call in, but I may lose service at that time. I'll ask a couple of my colleagues to join and pass on the updates to me. I would like to hear more about the school sampling, which is on the agenda. I forwarded the letter from Bill Everett on to Doug, but didn't hear back.

I also heard some rumblings about penalties against MRI regarding the Pit, so I'd appreciate any insights into that.

Thanks,  
Erik
